ACT TWO NOTES:

Mr. M's death can be timed to however artistically the director would like to have it. The entire set up can be changed to suit the needs of the scene. (Cues AG-AM) The last cue (AP) will continue to play as the audience leaves the building.

KEY:

VC – Volume Change

Effect – Sound Effect

Music – Music or Soundscape

NOTE

*What are **AUTO-FOLLOWS** and **AUTO-CONTINUES**?*

Auto-Continues work the same as Auto-Follows. The only difference is that Auto-Continues are immediate and Auto-Follows happen after the previous cue. Both do not require the Soundboard Operator to hit GO in QLab.

Kenneth L Waters, Jr.
Sound Designer
